

RIC-Mini Self-Service Island Display

A complete shop around cabinet suitable for merchandising a variety of products, particularly gourmet foods.

RIC-Mini Self-Service Island Display

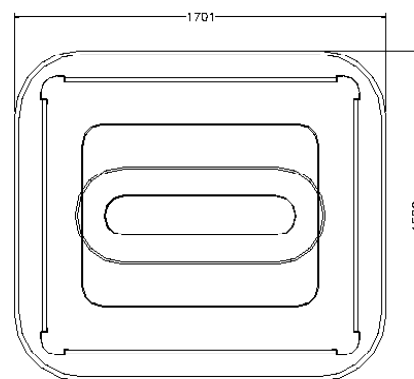

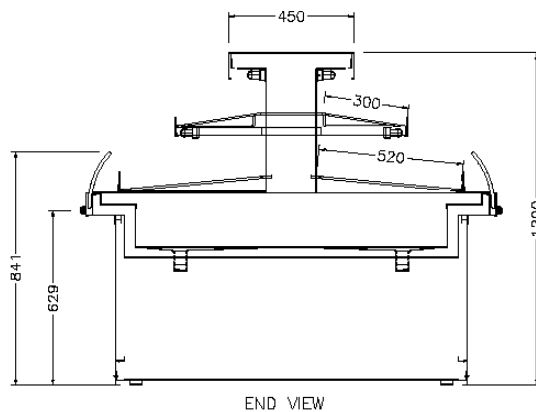

Introduction

The CIDM is a 2-tier, island merchandiser. It can be used for merchandising a variety of products, including cheese and gourmet foods. It has low, curved plexiglass, with round corners. This allows for excellent visual presentation and easy customer access to all product. The case width is standard, but case length is variable.
