A refrigerated milk merchandiser, the cabinet is designed to suit Tetrapak "H" milk crates.

HVRP - Milk/Egg and Dairy Cabinet

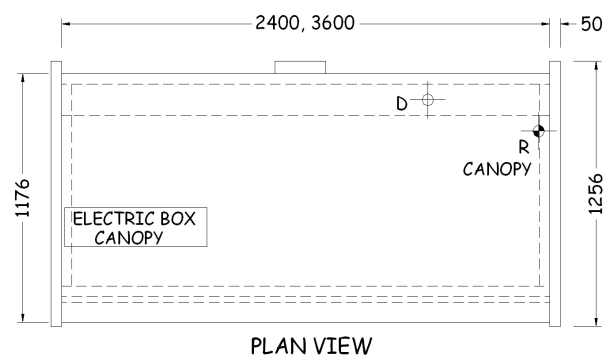

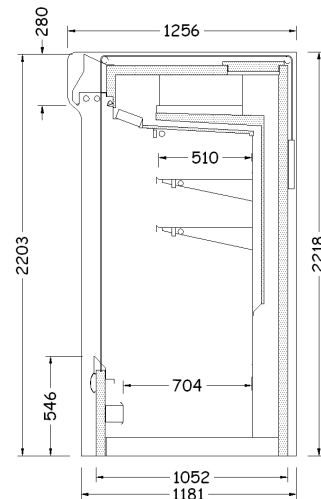

Introduction

The HVRP is a refrigerated milk merchandiser. The cabinet is designed to suit Tetrapak "H" milk crates. These allow for return air to flow under the product. There are two refrigerated shelves for dairy/deli display. The case has a low front counterweight lift door for easy loading. The cases can be made in a variety of lengths. This case can be modified for egg merchandising.
