

Hussmann Mobile Fish Table (FT)

An ice deck which is designed to maximise the display options for seafood. It allows the customer to become involved with the product display, and promotes interaction between the customer and service attendant.

FT - Mobile Fish Tables

Introduction

The FT is an ice deck which is designed to maximise the display options for seafood. It allows the customer to become involved with the product display, and promotes interaction between the customer and service attendant.

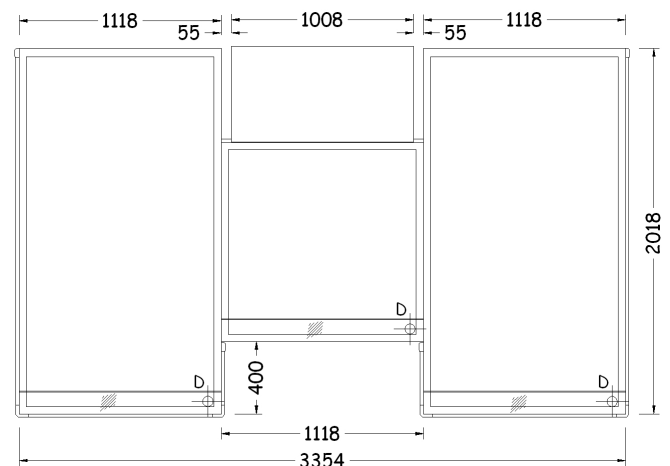

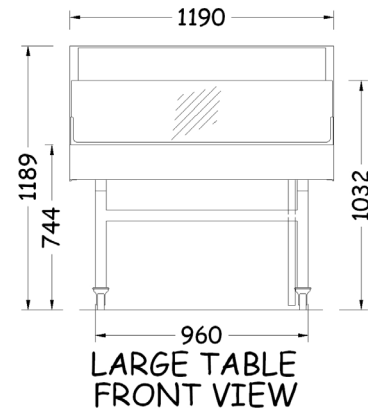

The fish tables are mobile.

Available in combinations, the tables can be moved around to best provide the best display of daily product.
