

Hussmann Multi-Deck Cabinet (RVGL-H)

A multi-deck cabinet with two distinct levels. The top section is a two-tier hot serviced section, the lower section is a two-tier refrigerated self-serve deli display.

RVGL-H - Self-Service Deli, Serve-Over Hot Cabinet

Introduction

The RVGL-H features two distinct levels. The top section is a two-tier hot serviced section, for single layer product. A recessed canopy allows for maximum product visibility.

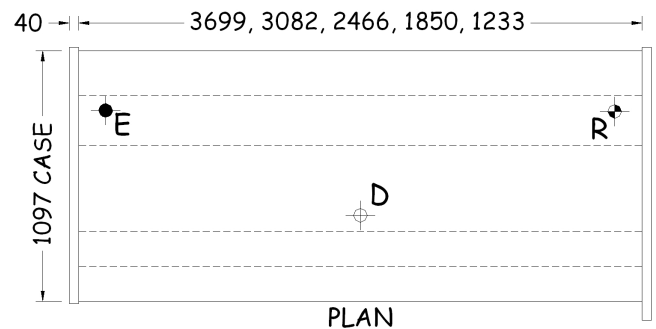

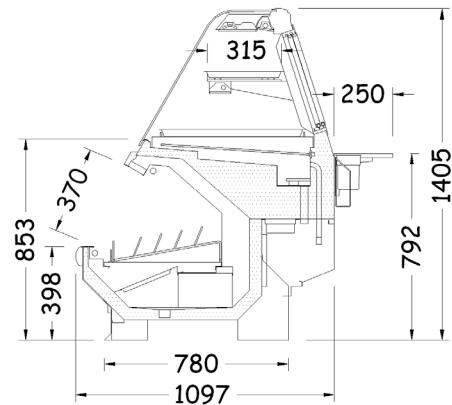

The lower section is a two-tier refrigerated self-serve deli display. This arrangement is suitable where different display environments are required within one product category. The top section can also be in a self-service format.

This case can be made to any length.
