

Convertible (for all Chilled applications)

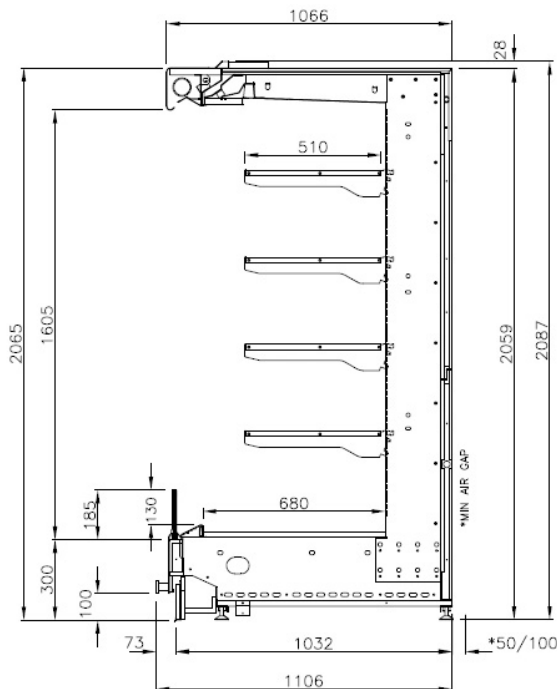

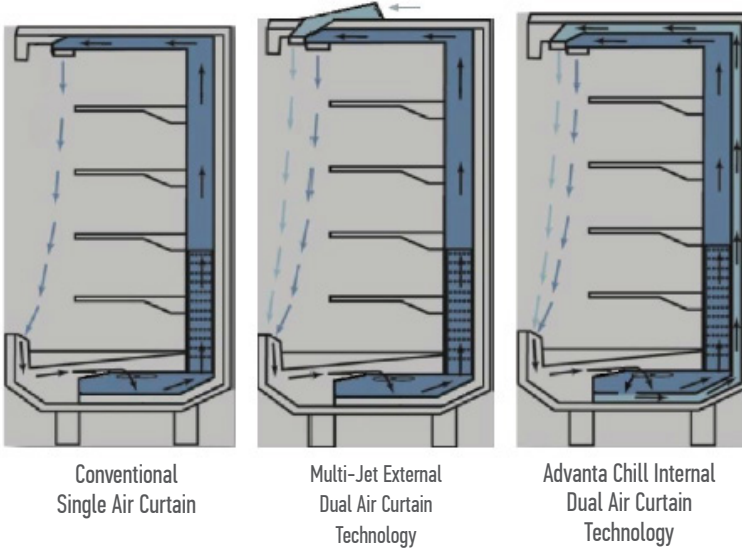

Advanta Chill

Next Generation Energy Efficient Multideck Cabinet

Advanta Chill

Dual Air Curtain Technology Evolution:

Available Lengths

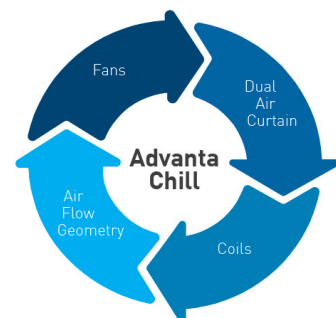

1250mm 1562mm 1875mm 2125mm 2500mm 3750mm

Features

- Superior Product Temperature Distribution
- Energy efficient speed selectable EC fan motor
- One fan per 1250mm bay (66% less fan motors)
- Tool free easy access under fan panel for easy cleaning and maintenance
- Advanced dual air curtain system with optimally configured air discharge for lower energy consumption
- The secondary air circuit is within the cabinet, no external fans
- Single copper tube evaporator coil with advanced circuitry to enhance energy and heat transfer
- Rear mounted for easy cleaning access
- Dual air curtain with optimised air delivery pattern through back panel allows for superior product temperature distribution
- Available for all chilled applications and configurations = Flexibility
- Dependant on cabinet configuration, energy reduction of 15 - 25% over current Multi-Jet cabinet
- Beats MEPS high efficiency requirements in all configurations
- Convertible design (via fan speed keys and set points) for:
 - 3M0 Meat
 - 3M1 Dairy, Produce
 - 3M2 Beverages

Benefits

- Energy savings of 15-25% over current Multi-Jet cabinets
- Easy cleaning base
- Adaptable across all product types
