Self-Service Hot Food Cabinet with Rear Load Door Option

Self-Service Hot Food Cabinet with Rear Load Option

ID2-MRH

Features

This self-service hot display cabinet has the option of rear load doors which allows for staff to load and clean the cabinet from within the deli department. This provides for greater efficiencies and improved product access.

The ID2-MRH is available in 3-tier and 4-tier shelving and is suitable for merchandising a variety of single layer, packaged hot foods. It provides for alternatives in merchandising various product combinations in an innovative cabinet line-up.

Standard

- External painted panels
- Stainless steel internal panels
