# Square Whole Fish

Mobile Fish Merchandiser

Square Whole Fish

Features

- An island display for whole fish merchandising.
- This cabinet has four movable partitions for merchandising different species of fish.
- Stainless steel for robust environments.
- The ticket turrett has four faces for price specialing and notices.
- The cabinet has movable water tank that will hold water (up to 90 litres) from any ice melt. The flow of ice melt is controllable with a tap situated under the base, but accessible using a built-in handle.
- The cabinet can be set on castors for moving around the store.
- This cabinet is a non-refrigerated ice deck design.

Benefits

- Maximise your whole fish sales through effective merchandising.
- The tray is designed to hold enough ice to last for a day in normal store environments.
- Flexibility in merchandising to accommodate different species of fish
- Designed to merchandise fish at the customer height to gets away from low-height fish bin displays.
- Leakages are reduced through a cabinet designed to hold ice and water.
- The tank is on castors for easy movement and emptying. It is also splash proof in its design.
- Being an island, you can shop from all four sides which encourages customer interaction and sales.
- Removable trays and dividers for easy cleaning.

Standard

- Case height 1350mm
- Case width 1300mm
- Stainless steel exterior
- Stainless steel interior
- Castors
- Removable tank on castors
- Removable trays and dividers (4)

Options

- Brushed stainless external finish
- No castors
