## UM15

Integral Impulse Merchandiser for Grab'n'Go, Drinks, Meat, Produce

THE UNIVERSAL MERCHANDISER

# The Universal Merchandiser for Grab'n'Go, Drinks, Meat, Produce

## UM15

Available Length (excluding ends)  
938mm

## Features

The UM15 is a medium temperature cabinet which can be used for drinks, petfood, produce, added value, Grab'n Go, meat, or any impulse buy chilled food.

The narrow width allows it to be installed either on the end of or within a grocery aisle. It is therefore supplied as a stand alone cabinet with an integral condensing unit as standard. Also ideal for checkout impulse locations.

The number of shelves and shelf fronts can be changed depending on display requirements. (Please contact us to discuss options.)
